

Dear NBYCers:

Since Sue, our Recorder, is off on the high seas in a floating "Gin Palace", she's not available to put this out in the May newsletter. I wanted to get two things out to everyone as early as possible.

## Butt Roast Date and Location Change:

First, the annual NBYC Butt Roast (as in pork Boston Butts) will need to be moved, not only the date but also the location. The Villa Venyze neighborhood where John and Melissa Myran and Donna and I live is undergoing significant drainage construction. The roads are torn up and parking is severely limited. Since the Myran's house and dock was the location for our Butt Roast, we have decided to move the party to one of the pavilions on Navarre Beach. May 18<sup>th</sup> wasn't available for a pavilion so we also had to move the date to May 11<sup>th</sup>. We will still have the famous Butt Auction of the leftover butts and anyone who want to get up early to help cook and sample Bloody Marys, please let me know.

New Butt Roast Details:

Saturday, May 11<sup>th</sup>

Black Skimmer Pavilion (the middle pavilion sound side)

Start to gather anytime you like. We will start to serve 2 pm-ish.

## May Meeting:

Second, the May meeting will be held on Monday, May 6<sup>th</sup>. We will have appetizers served and this month the speaker will be you. We all have boating useful Apps we like for our Cell Phones and IPads the plan is to come prepared to share your favorite Apps. I hope to have a projector so we can project them on the wall and create a list that we can send out to everyone after the meeting. Please plan to participate in this discussion and help out your fellow club members.

Thanks

Commodore
