

NAVARRE BEACH YACHT CLUB NEWS JUNE 2016

Vice Commodore's Comments...

Ahoy Fellow NBYC Members:

June 6th was my first experience being in charge of the NBYC meeting. Things went pretty smoothly.

The TV sound was turned off for the meeting. It was some big hockey game. With no sound people had to watch the screen instead of me -- which worked out great for me.

The May Butt Roast at Myrans' was awesome. There was a good turnout. The butts were great with lots of yummy side dishes and desserts. The cooks did an excellent job. There was a little double parking of boats but everyone was able to fit in quite nicely. The weather was nice, not too hot with a nice breeze. All the extra butts were auctioned off. There was some fierce competition for the butts. Photos have been posted on the web site and on our Facebook page. This way all who were unable to attend will be able to see all the butts they missed. Thanks, John & Melissa and all the cheerful helpers that made this a very enjoyable day!

Lori received the shipments of the NBYC 25th anniversary T-shirts. She brought them to the Butt Roast and to the June meeting. They are selling fast, so if you want to purchase one, I would

do it soon. Thank you Lori! You did a great job picking the new shirt styles and colors.

Lori will be ordering a new large club burgee. It was voted on and approved at the June meeting. Thanks Lori for your time getting the quotes and placing the order.

There was good news for those who like to boat to the Grand Marlin. They have reopened half of their docks, (South Side). They are still working on the rest.

Our previous Sail Boater at Large Ralph Knoerr & Mary have returned from two years in the Caribbean. They have found a condo in the Tampa area, but they may return here in the winter. I am sure they will have many good stories to share.

At the meeting was the handoff of the DA burgee by Kevin to Jim K. In case anyone forgot, Kevin had earned the award about a year ago, when he ran out of fuel right in front of another member's dock. A few weeks ago, member and Power Boater at Large John C. was at Juana's dock securing his boat. Jim K fell off the boat at the dock. John pulled him out of the water. Then a short time later, Jim fell in again off the dock. Kevin just happened to be the one that saw Jim fall in and helped him out. Of course Kevin's first thought and concern was for Jim's safety. What was his second thought? Aha, I can finally get rid of the DA burgee! Other than a few barnacle

scratches, and getting the DA award, Jim was not harmed.

I did let everyone know at the meeting, the photo of the bottom of a sailboat thought to be Ken's was in fact *not* Ken's boat. The photo had been passed around a lot via email. The boat bottom had sponges growing on it along with a whole ecosystem. Since the joke was that it was Ken's bottom, Ken received a little harassment. The moral of the story, be careful in this day and age... things go viral quickly! Ken has a great sense of humor and took all the harassment with grace. Ken won the raffle that night, so that helped him get over it.

Gallery Night/Pirates Cove outing June 17-19: An email went out saying there was not much response for Gallery Night at Palafox Pier, so most will be heading to Ft McRee instead on Friday night. If you do go to Palafox, please join others on Saturday at Pirates Cove.

There will be an All Call on July 2 for the Juana's & Sailors Grill 27th Anniversary Weekend. Be there to help celebrate, and wear your new 25th Anniversary shirts.

July 15-16th : Blue Angels at Pensacola Beach

*Enjoy the sunshine and water,
Vice Commodore Terry*
