## FEBRUARY 2018

### *Commodore's Comments...*

Ahoy Mates!

What in the world is a hoy?? This old traditional greeting for hailing other vessels was originally a Viking battle cry.

Thank goodness the cold weather has dissipated so we can get our spring boat cleaning out of the way and be ready to get out there on the water. We'll be kicking off our scheduled events with an All Call celebrating St Patrick's Day March 17th on Juana's dock. Wear the green and join us there.

Our next meeting will be at 6:30, March 5th. Hope you can join us.

***Commodore Ken***

*Sally Ship* was not a ship but a method of loosening a vessel that ran aground from the mud holding her

fast. A grounded ship could be freed with little or no hull damage if she could be rocked out of her muddy predicament. To free her, the order was given to 'sally ship.' The crew would gather in a line along one side and then run from port to starboard and back and forth until the vessel began to roll. Often the rolling broke the mud's suction and she could be pulled free and gotten underway.
